Hello Fellow Members of Torch, from the IATC Nominating Committee,

The pandemic has been disruptive for all of us and for our Torch club meetings. Members of many Torch clubs continued to enjoy fine Torch presentations by way of Zoom, in part due to the free subscriptions provided by the IATC and the Torch Foundation. We look forward to in-person Torch meetings.

We invite you to nominate candidates for the Regional Director and Vice-President positions to be filled in this election cycle. Notices are sent to all Torch members with email addresses in October and November 2021 telling of the positions up for election.

Nomination Forms are to be completed and received in the Torch Main Office by December 31, 2021.

The Minimum Qualifications for positions are:

FOR REGIONAL DIRECTOR:

Nominated by one club: Officer in a Torch Club for one or more years. Must have been a Torch member for five or more years.

FOR VICE-PRESIDENT:

To be nominated by two clubs. Must have served as an officer in a Torch club currently or before, or Regional Director currently or before. Additionally, the person must have served as a delegate to one or more IATC Conventions and a Torch member for five or more years.
